

November 2022 Pre-K Newsletter

THANKFUL

The month of November has a special way of reminding us to stop and reflect on the things we are most *THANKFUL* for. Our Pre-K Class will do just that this month!

Beyond continuing our investigation of the alphabet, we will focus on some of our greatest *BLESSINGS*: Family, Grandparents, Thanksgiving Holiday Traditions and MORE! Pre- K kiddos always have such sweet expressions regarding the things that they are most *THANKFUL* for; I look forward to hearing them share their thoughts.

It may start cooling down! Send coats, hats & gloves to school as needed. Please practice zipping!

HAPPY BIRTHDAY
