

April 2026 Pre-K Newsletter

SPRING INTO SPRING!

The warmth of Spring always feels like a true blessing-we can't wait for the sunny days ahead! Undoubtedly, the Pre-K kiddos will continue to blossom and bloom in the coming days too!

In April we will learn about letters T, U, V, W & X The Pre-K teachers will be spending some one-on-one time with each child to reinforce the Pre-K skills and concepts that have been introduced.

As for math, we will continue learning about money; we will focus on recognizing coin and dollar bill values and expand on the concept of purchasing items with money. We will keep practicing counting by 1's and 2's and introduce counting by 5's. We will also introduce the concept of time and telling time.

We will go outside to run and play every chance we get! Send a light coat when necessary.
