

September 2026 Pre-K Newsletter

READY, SET, AWAY WE GO!

Get ready for an exciting start to the school year!

This September we will get to know one another, discover our classroom, and settle into our school routine. We will spend some time introducing the kiddos to our classroom expectations, daily routines and health and safety protocols ... We will set off to navigate the new PRE-K world together!

In the next few weeks, we will explore and review foundational concepts such as shapes, colors, and numbers.

Please remember to have your child bring a full-sized backpack to school each day. Please stick a change of clothes in your child's backpack, just in case! Don't forget to send your child in close-toed shoes-- the playground gravel can be troublesome. 😊
